PUBLIC COMMENTS:

Robbin Taylor, Black Diamond discussed the flyer that was made for the Labor Days festivities. She noted it being a good education tool and urged Council to look at it and would like to see if the City could print this flyer to start the public education process on fire service in Black Diamond.

Councilmember Edelman would like to see this issue brought up in the committee format and then bring forward to the Mayor. She also noted the Community Center being a great place to distribute copies.

Councilmember Deady would like to see a presentation on this topic done at the Community Center on a Tuesday or Thursday.

Councilmember Taylor thought the presentation at the Community Center was a good idea and will get a hold of the Director. He also wondered about having the flyer placed on the City' website. He further noted he will have this matter go through the Public Safety Committee first and then bring back to Council for buy in.

Robbin Taylor, Black Diamond stated she would get a copy of the flyer to the City Clerk.

A **motion** was made by Councilmember Edelman and **seconded** by Councilmember Deady to adjourn the meeting. Motion **passed** with all voting in favor (5-0).
