RE: Review of the Proposed Diamond Square Water Latecomers Agreement

Dear Dan:

The review of the proposed water latecomers agreement with Diamond Square will depend to a large extent on the completeness of the applicants submittal. We understand that though the applicant did not file his request in a timely manner, the City has decided to waive that requirement.

We propose a budget of \$2,000 to complete this review.

Let me know when this is authorized or if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Leonard L. Smith".
