**FIRST AMENDED INTERLOCAL AGREEMENT
BETWEEN THE CITIES OF MAPLE VALLEY, COVINGTON
AND BLACK DIAMOND FOR JOINT PUBLIC WORKS OPERATIONS AND
COOPERATIVE PURCHASING**

THIS INTERLOCAL AGREEMENT (“Agreement”) is entered into between the CITY OF MAPLE VALLEY, a Washington municipal corporation (“Maple Valley”), the CITY OF COVINGTON, a Washington municipal corporation (“Covington”), and the CITY OF BLACK DIAMOND, a Washington municipal corporation (“Black Diamond”), (collectively the “Parties, or Cities” or in the singular “Party or City”).

WHEREAS, the Parties are “public agencies” as defined by Chapter 39.34 RCW, and through the provisions of that Chapter are authorized by state law to enter into interlocal agreements on the basis of mutual advantage and thereby to provide services and facilities in the manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population, and other factors influencing the needs of local communities; and

WHEREAS, RCW 39.34.030 authorizes an agreement for joint or cooperative action by a public agency upon appropriate legislative action by the governing body of each agency prior to entry into such agreement; and

WHEREAS, the Parties’ Public Works and Parks Departments have similar operational needs and can provide savings to taxpayers through contracting for shared services; and

WHEREAS, each Party can realize certain economies from sharing resources and piggybacking onto contracts with the other Parties; and

WHEREAS, each Party has agreed to follow the other Parties’ Contracting Procedures for bidding, contracting and purchasing where required by this Agreement; and

WHEREAS, each Party has agreed to compensate the other Parties for expenses incurred when utilizing the procedures offered under this Agreement;

NOW THEREFORE, in consideration of the mutual promises contained herein, it is agreed between the Parties as follows:

1. Purpose. It is the purpose of this Agreement to utilize the provisions of state law to enable the Parties’ to take advantage of economies of scale in sharing resources, by providing services to the other Parties, by conducting joint operations for public works projects, and by utilizing cooperative purchasing.

2. Definitions.

“Contracting Procedures” means the ordinances, resolutions, and administrative orders adopted by a Party that specify the methods by which that Party purchases goods, equipment and services and the methods by which that Party obtains professional services, advertises for bids and awards contracts.

“Joint Meeting” means the joint annual meeting of the City Councils of Maple Valley, Covington and Black Diamond.

“Lead Agency” is the Party designated as having administrative oversight of the services being provided to other Parties, including the responsibility for tracking expenses, providing invoices, and reconciling costs for services rendered.

“Piggybacking” refers to the process by which a Party utilizes the contract that another Party has entered into with an outside vendor to make purchases or to receive services from that outside vendor.

“Providing Party” means the Party that has received a request to provide services.

“Requesting Party” means the Party that requests services from a Providing Party.

3. Request for Services. The following process shall be followed by the Parties when seeking to engage another Party for joint operations or contracted services under this Agreement (not cooperative purchasing, which is addressed in Section 4, herein):

3.1 Requests for Services. The Requesting Party shall submit a written request (see Attachment 1) to the Providing Party setting forth the requested scope of work, requested duration or frequency of work, the equipment and materials required, the location of the work, the estimated cost of the work and budgeted amount for the work, any additional specifications or standards that must be considered, and a date by which a response is requested. If the Requesting Party is limited in the amount of money it can spend on the request due to a budget appropriation, the Requesting Party must specify that limitation in its request.

3.2 Acceptance of Request for Services. The Providing Party shall respond to the written request for services through a written acceptance or denial (see Attachment 2). Should the Providing Party fail to respond to the Requesting Party by the date specified in the request, the Requesting Party’s request shall expire and be void. An acceptance shall include the agreed upon scope of work, the total estimated direct cost for the work, the estimated indirect cost (all administrative charges and overhead), whether a deposit will be required and if so, for what purpose, and the duration and/or schedule for the work and any specifications or standards that will be applicable. The written acceptance shall

require the signature of the appointed administrator of the Providing Party, the appointed administrator of the Requesting Party, and the signature of each such Party's respective City Manager/City Administrator.

3.2.1 Outside Vendor Contracts. If the Providing Party's services to be rendered are services provided by a contract between the Providing Party and an outside vendor, the Providing Party's contract with the vendor shall reference this Agreement, specify that the vendor agrees to provide services to a Party other than the Providing Party, and add the Requesting Party as an additional insured on the vendor's required insurance policies. The Providing Party shall provide a copy of its contract with the outside vendor to the Requesting Party with its written acceptance to the Requesting Party.

3.3 Providing Party as Lead Agency. The Providing Party shall be the Lead Agency and shall have administrative oversight of the services requested, any advertisement for bids and award of contract, and the accounting for the services. The Lead Agency shall generally incur the cost of the service being performed to the Requesting Party and, in most circumstances, shall be responsible for invoicing the Requesting Party for services rendered.

3.4 Increases to Budgeted Amount. Under no circumstances shall the cost of a Providing Party's services to a Requesting Party exceed the stated budget amount in the request from the Requesting Party. Any costs incurred by the Providing Party in excess of the stated budget amount shall not be invoiced to the Requesting Party until and unless the Providing Party has received a letter from the Requesting Party with approval to increase the budget amount for the service.

3.5 Services that Require Bidding and Contracting. A service that requires an advertisement for bids and an award of contract shall be specified by the Providing Party in its written acceptance. Pursuant to Subsection 3.3, the Providing Party, as Lead Agency, shall be solely responsible for conducting an advertisement for bids and awarding a contract. In advertising for bids and awarding a contract the Providing Party shall follow state law and its adopted local ordinances/rules. The Providing Party may consult with the Requesting Party as to the terms and provisions in a request for bids, but the Requesting Party shall have no role in awarding the contract. The Providing Party assumes sole responsibility for compliance with state law and its adopted local ordinances and rules pertaining to the award of the contract, management of the contract, contract close-out, warranty and required financial guarantees. Any claims by laborers/materialmen/mechanics/suppliers shall be handled by the Providing Party. Resolution of any dispute under the contract awarded by the Providing Party shall be the sole responsibility of the Providing Party. The prosecution or defense of any legal claim involving the contract awarded by the Providing Party shall be the sole responsibility of the Providing Party. The Providing Party may

request contribution or assistance from the Requesting Party in resolving any dispute or in prosecuting or defending any legal claim involving the contract awarded by the Providing Party, but any such contribution or assistance shall be at the sole discretion of the Requesting Party.

3.6 Care and Maintenance of Equipment. The Parties agree that any time a request is made for the use of equipment, the Requesting Party shall be responsible for the proper care, maintenance and security of the equipment until the equipment is returned to the Providing Party. The Requesting Party shall permit the equipment to be used only by properly trained and supervised operators. Any damage to the equipment other than normal wear and tear will be the responsibility of the Party in possession of the equipment at the time the equipment is damaged. The Providing Party may require, at its sole discretion, that only the Providing Party's personnel operate certain equipment. In doing so, the Providing Party shall be deemed an independent contractor, pursuant to Section 12, and the Providing Party's employees shall not be deemed employees of the Requesting Party. The Providing Party's operator shall perform under the general direction and control of the Requesting Party but shall retain full control of the manner and means of use and operation of the equipment. The Providing Party warrants that the Providing Party's operator possesses all of the necessary training, skills and abilities to safely and properly use and operate any such equipment. Notwithstanding the fact that the Requesting Party may direct and control the work, the operator shall not for any purposes be considered a loaned servant to the Requesting party.

3.7 Right of Entry. The Parties to this Agreement hereby grant and convey to each other the right to enter upon all land in which the Parties have an interest, within or adjacent to the right-of-way of a highway, road or street for the purpose of accomplishing all work or services requested as part of this Agreement.

4. Joint and Cooperative Purchasing.

4.1 Contract Piggybacking. Each Party to this Agreement has adopted its own Contracting Procedures pertaining to purchasing and the award of contracts. A piggybacking Party bears the sole responsibility for conducting its own due diligence to determine whether the non-piggybacking Party has lawfully entered into a contract for purchasing and/or services according to that Party's adopted Contracting Procedures prior to placing any orders, or engaging services from a provider under the non-piggybacking Party's contract. Due diligence includes ascertaining whether the non-piggybacking Party's contract with an outside vendor allows a Party to piggyback.

4.2 Contracting Procedures. Each Party's Contracting Procedures are specified herein as follows:

4.2.1 Maple Valley. Maple Valley's Contracting Procedures are codified at Chapter 2.75 MVMC. 4.3 Piggybacking Party's Responsibilities. If the piggybacking Party decides to utilize the non-piggybacking Party's contract to purchase supplies, equipment, or services, the piggybacking Party bears the sole responsibility for observing the terms of the non-piggybacking Party's contract and assumes any liability under the terms of the contract between the non-piggybacking Party and the vendor/service provider pertaining to the supplies, equipment or services it obtains under that contract, thereby stepping into the shoes of the non-piggybacking Party for all purposes for which the piggybacking Party is utilizing the non-piggybacking Party's contract.

4.4 Piggybacking Not Authorized. This Agreement does not authorize any Party to piggyback onto any Party's Intergovernmental Agreement for State Purchasing Cooperative with the State of Washington, Department of General Administration.

In the event the acts or omissions of the officials, officers, agents, and/or employees of a Party in connection with or incidental to the performance or non-performance of services, duties, or obligations under this Agreement are the subject of any liability claims by a third party, each Party shall each be liable for its proportionate concurrent negligence in any resulting suits, actions, claims, liability, damages, judgments, costs and expenses and for their own attorney's fees.

Nothing contained in this section or this Agreement shall be construed to create a right in any third party to indemnification.

The provisions of this section shall survive any termination or expiration of this Agreement.

10.2 Waiver of Workers Compensation Immunity. It is further specifically and expressly understood and agreed that the indemnification provided herein constitutes each Party's waiver of immunity under Industrial Insurance, Title 51 RCW, solely to carry out the purposes of this indemnification

clause. The Parties further acknowledge that they have mutually negotiated this waiver.

11. Insurance. Maple Valley, Black Diamond, and Covington are members of an insurance risk pool, and, consistent with the policies established by each Party's respective risk pool, Maple Valley, Black Diamond, and Covington are insured and agree to maintain for the duration of the Agreement insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by each Party, its agents, representatives, or employees. 12.1 Notwithstanding Section 3.6 herein, the Parties intend that an independent contractor relationship is created by this Agreement. As an independent contractor, each Party shall be responsible for the reporting and payment of all applicable local, state, and federal taxes.

12.2 To the extent that any Party exercises control and direction over the work of any other Party, such control and directions will be for purposes of achieving the results specified in the Acceptance of Services letter according to Section 3.2 herein. No agent, employee, servant or representative of a Party shall be deemed to be an employee, agent, servant or representative of another Party for any purpose, and the employees of a Party are not entitled to any of the benefits that another Party provides for its employees. Each Party shall be solely and entirely responsible for its acts and for the acts of its agents, employees, servants, subcontractors or representatives, performed within the authorized scope of its agents, employees, servants, subcontractors or representatives' duties during the performance of this Agreement.

12.3 In the performance of the services herein contemplated each Party is an independent contractor with the authority to control and direct the performance of the details of the work; however, the results of the work contemplated herein must meet the approval of the other Parties and shall be

subject to the other Parties' general rights of inspection and review to secure the satisfactory completion thereof.

13. Miscellaneous.

13.1 Non-Waiver of Breach. The failure of any Party to insist upon strict performance of any of the covenants and agreements contained in this Agreement, or to exercise any option conferred by this Agreement in one or more instances, shall not be construed to be a waiver or relinquishment of those covenants, agreements or options, and the same shall be and remain in full force and effect.

13.2 Resolution of Disputes and Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. Subject to Subsection 7.3, if the Parties are unable to settle any dispute, difference or claim arising from the Parties' performance of this Agreement, the exclusive means of resolving that dispute, difference or claim, shall only be by filing suit exclusively under the venue, rules and jurisdiction of the King County Superior Court, King County, Washington, unless the Parties agree in writing to an alternative dispute resolution process.

13.3 Assignment. This Agreement is not assignable by any Party, in whole or in part.

13.4 Modification. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless made in writing and approved by the legislative body of each city.

13.5.1 Nondiscrimination in Employment. In the performance of this Agreement, no Party will discriminate against any employee or applicant for employment on the grounds of race, religion, creed, color, national origin, sex, marital status, disability, sexual orientation, age or other basis prohibited by state or federal law; unless based upon a bona fide occupational qualification. Each Party shall take such action with respect to this Agreement as may be required to ensure full compliance with local, state and federal laws prohibiting discrimination in employment.

13.5.2. Nondiscrimination in Services. No Party will discriminate against any recipient of any services or benefits provided for in this Agreement on the grounds of race, religion, creed, color, national origin,

sex, marital status, disability, sexual orientation, age or other basis prohibited by state or federal law.

13.6 Entire Agreement. The written terms and provisions of this Agreement, together with any exhibits attached hereto, shall supersede all prior communications, negotiations, representations or agreements, either verbal or written of any officer or other representative of each party, and such statements shall not be effective or be construed as entering into or forming a part of or altering in any manner this Agreement. All of the exhibits are hereby made part of this Agreement. Should any of the language of any exhibits to this Agreement conflict with any language contained in this Agreement, the language of this document shall prevail.

13.7 Severability. If any section of this Agreement is adjudicated to be invalid, such action shall not affect the validity of any section not so adjudicated.

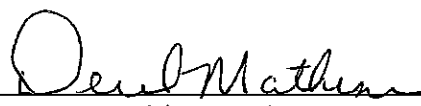

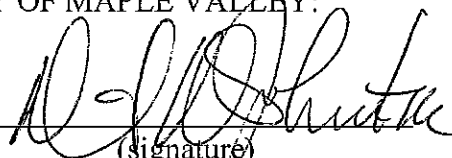

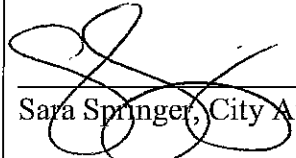

13.8 Interpretation. The legal presumption that an ambiguous term of this Agreement should be interpreted against the Party who prepared the Agreement shall not apply.

13.9 No Third Party Beneficiaries. This Agreement is between the Parties and is not meant to benefit any third party.

13.10 Counterparts. This Agreement may be executed in multiple counterparts, any of which shall constitute an agreement by and among the Parties who have executed this Agreement, provided that each Party shall transmit to the attention of the Covington City Clerk an original, executed signature page of this Agreement.
