

Project Objectives

- ③ Update the City of Black Diamond 2009 Comprehensive Plan and development regulations by June 2015
- ③ Provide opportunities throughout the process for public comment and input
- ③ Revise the comprehensive plan and development regulations to meet the most recent Washington State Growth Management Act requirements
- ③ Result in a comprehensive plan and development regulations that address future housing, employment, transportation, and capital facilities needs

- ③ The comprehensive plan and development regulation update process is designed to guide City growth over the next 20 years, including identifying housing and employment areas to accommodate forecasted residents.
- ③ The major update will look at land use, housing, natural environment, capital facilities, and transportation.
- ③ The update of the comprehensive plan and development regulations will comply with the Washington State Growth Management Act.
- ③ The comprehensive plan elements and existing development regulations will build on the 2009 Comprehensive Plan and development regulations.
- ③ Public input is important and public comment opportunities are identified in the project schedule.
