

CITY OF BLACK DIAMOND (TDR) DEVELOPMENT RIGHT CERTIFICATE REQUIREMENTS

Thank you for the taking the time to apply for a development right certificate under the City's Transfer of Development rights program. This worksheet was created in order to help you move forward in this process. Below is a checklist of items that are needed in order to process your development right certificate and include:

Copy of the Final Letter of Notification sent to the property owner.

Copy of the Parcel Deed and Title.

Title report confirming that applicant is the owner of the parcel and has unrestricted legal right to transfer the development.

Legal Description and parcel numbers of the properties being applied for.

Mortgage and/or Lien Holder Subordination and Release or signed conservation easement (Recording Fee will apply).

Acknowledgment of intent to grant to the City of Black Diamond a conservation easement in a form provided by the city permanently restricting development uses to those allowed by the remaining development rights attached to the parcel, if any, and preserving the parcel's environmental/resource value.

Description of the area on the parcel that you'd like to include within the TDR program (Based on the area that is being asked to be included in the program, a site survey and map showing the area of the property for inclusion into the program may be required). Also describe any changes in the parcel occurring since the final letter of notification was issued.

Acknowledgement of intent to grant a fee simple deed to the parcel or a public trail easement, if bonus development rights are requested.

Completed application and payment of \$525.00 processing fee, plus \$45.00 for counter service/technology fee. Fees for recording of documents to be invoiced upon receipt of submittal to King County Recorders Office.

Staff understands that this process will take some time and is available to help you through this process. *In fact, we strongly recommend that you schedule a pre-submittal meeting with the Community Development Director, prior to submitting the application.* In addition, according to code, a fee in the amount of \$50 per TDR is required to be paid once the total amount of TDR's is agreed to and prior to the issuance of the Development Right Certificate.
