Order on Exhibits and Response/Reply
Documents

12
13 City staff anticipate that all exhibits (excepting response and reply documents still due) will be
14 posted by the end of business day 8/5/11. Response documents will be due by 8/12/11. Reply
15 documents will be due two business days from the day that all response documents are posted at the
City's website. A specific due date for the reply documents will be posted once it is known how
long it will take staff to post those documents.

16 Documents must be received by City Staff on the day documents are due. Hard copies must be
17 received at the City of Black Diamond Department of Community Development located at 24301
18 Roberts Drive, Black Diamond, WA 98010. In the alternative documents may be emailed to Steve
19 Pilcher by midnight of the deadline at SPilcher@ci.blackdiamond.wa.us. Note that the City's email
system rejects large documents so senders will be responsible for ensuring that their emails get
through. Word documents generally make it through more easily than pdf documents.

20 Exhibits 1-46 were admitted at hearing and are no longer subject to objections on admissibility.
21 Documents from Exhibit 47 on up are still subject to objection. Persons who object to the
22 admissibility of exhibits 47 on up for exhibits posted by the City by the end of business day 8/5/11
must file their objection with Steve Pilcher by email or hard copy by 5:00 pm, 8/11/11.

23 ORDERED this 4th day of August, 2011.
