List of property owners of record within 300 feet of the exterior boundaries of all parcels proposed to be included in the subdivision

BDMC 17.12.010(G)

List of property owners of record within 300 feet of the exterior boundaries of all parcels proposed to be included in the subdivision

Listing of all property owners of record within 300 feet of the exterior boundary of adjacent property in the same ownership as the land to be subdivided. The 300 feet is measured from the exterior boundary of adjacent property in the same ownership as the land to be subdivided.

Note: BDMC 18.08.120(C)(1) (Notice of Application) provides that the distance shall be increased to five hundred feet for a master planned development. Therefore, to be conservative, the Applicant has voluntarily enclosed a list that includes all property owners of record within 500 feet of the exterior boundary of The Villages MPD instead of just The Phase 2 Plat C preliminary plat.
