Subject: Preliminary Plat 2C - Professional Evaluation

Andy, let this email serve as my certification, that as the MDRT Civil Engineer in Responsible Charge, I have reviewed the plat materials submitted by Yarrow Bay Communities and have found them (with conditions) to be compliant with the following:

- Villages Development Agreement (and referenced documents)
- Water Supply and Facilities Funding Agreement
- Comprehensive Water System Plan
- Comprehensive Sewer System Plan
- Villages EIS
- Hearing Examiner Conditions of Approval
- Black Diamond Engineering Design and Construction Standards
- Best Management Practices

The referenced conditions are included in the staff report prepared for this application.
