

12/11/14

Dear Hearing Officer,

I wish to be heard in the present hearing concerning the YarrowBay development. I am not happy in the least with its present actions in which it is asking for approval of one more area even before Black Diamond knows the impacts upon our Black Diamond lives from the present actions.

Since I am working from one o'clock until 10 p.m. today, I cannot be present for the scheduled hearing. I ask that this letter represent me at the hearing and wish to now any future plans for this situation.

Sincerely yours,
