

ADDENDUM 1

City of Black Diamond Police Department Roof Replacement Project and Public Works Shop Roof Replacement

The following changes have been made to the Request for Bids and Contract for the above-referenced project:

- 1. Additive work for the replacement of the Public Works Shop roof added**
- 2. Bid Proposal updated to add Public Works Shop**
- 3. All documents updated with this new information**

The updated contract with the changes above are being sent out with this Addendum via e-mail and will be posted on the City of Black Diamond website.

The City reserves the right to award based on the lowest responsive bid on just the Police Department Roof or combined with the Public Works Shop. City staff will seek City Council approval to award work on the Public Works Shop if the budget will allow for it.
