

AGENDA

Public Safety Committee Meeting

City Council Chambers

25510 Lawson Drive, Black Diamond, WA

Friday, February 17, 2012

10:00 a.m.

Attendees: Mayor Olness, Councilmember Taylor, Councilmember Deady, Chief Kiblinger, Chief Smith

- 1) COV update/training schedule
- 2) Generator update
- 3) Possible schedule changes
- 4) New recruit update
- 5) EOC roles (Councilmember Deady)

Councilmember Taylor requests:

- 6)
 - Invitation for Police/Fire to share ongoing operational statistics – things like:
 - Calls for service
 - Response times
 - Crime/incident rates
 - Responder/population ratios
 - Percentage of achieved regional/state/national standards & targets
 - Any information that describes services and shows trends
 - Request for at least a casual inventory of capitol/working equipment & systems – age, life expectancy, depreciation, etc.
 - Police
 - Status of existing union contract – age, renegotiation when?
 - Long term business model of police services – what makes sense in upcoming years?
 - Continue operating as independent PD?
 - Contracting of services?
 - Cooperative effort with other cities?
 - Cost analysis of each
 - Vehicle cost analysis
 - Leasing vs. purchasing

- Average per officer cost of assigned vs. pooled vehicles
 - How many vehicles is appropriate?
 - Inventory as requested above
- Fire
 - Operational standards
 - Do we need to adopt some?
 - If not NFPA at this time then what makes sense?
 - Closing the gap
 - How do we get from where we are at to the level of service that we need?
 - Can we define what stations/apparatus/personnel are needed and prioritize?
 - Long term business model of fire services – what makes sense in upcoming years?
 - Remain contracted?
 - Reconstitute a city FD?
 - Is annexation sensible?
 - Apparatus
 - Who owns what?
 - How old is it? When is replacement due?
 - Depreciation & capitol replacement
 - Replacements aside what *additional* apparatus are needed?
 - Staffing levels – what is appropriate and what are the cost models?
