

Tough Mudder Black Diamond | September 16th-17th

The Black Diamond Police Department will again be working the Tough Mudder Event where over 7,000 runners will be visiting our city to compete in this year's event.

Event Overview

Same Awesome Venue, New Course

The Pacific Northwest has never been tougher. At Palmer Coking Coal (Black Diamond) you'll find plenty of potential pitfalls - literally and figuratively. Make sure you pick your feet up - this coal's coming for you! You'll mud over diverse terrain including wooded areas, gravel pits, and the occasional muddy pit so dark, you'll wonder if there's a bottom. Supe up your 2017 season at Tough Mudder Seattle Presented by Merrell, where the sky's grey and the mud's a little on the chilly side.

10 Miles, 20+ Obstacles

Ready to leave the ordinary behind and make some fresh muddy memories at Tough Mudder? You'll do all that and more when you tackle classic Tough Mudder mud run obstacles and brand new 2017 upgrades!
