WITHDRAWAL OF SEPA DETERMINATION OF NON-SIGNIFICANCE (DNS) OF PROPOSED ACTION And NEW SEPA DETERMINATION OF NON-SIGNIFICANCE (DNS) OF PROPOSED ACTION File Number PLN15-0040

The City of Black Diamond completed an environmental analysis, included review of pertinent and available environmental information and Environmental Checklist for the “Roberts Drive Reconstruction” proposal, File Number PLN15-0040. The original SEPA decision, a DNS, was issued October 1, 2015. The original SEPA DNS that was issued October 1, 2015 is being withdrawn to correct errors found in the decision document pertaining to the comment period.

If the lead agency withdraws a DNS, the agency shall make a new threshold determination and provide notice of the new threshold determination. WAC 197-11-340(3)(c). The City of Black Diamond has completed an environmental analysis, including review of pertinent and available environmental information and the Environmental Checklist for the following proposal:

Name of Proposal: Roberts Drive Reconstruction

Description of Proposal: The City will be reconstructing Roberts Drive from the Rock Creek Bridge to the Black Diamond City Hall, covering approximately 1,800 linear feet. The scope of work includes structural improvements to the bridge, extending utilities across the bridge, and attaching a pedestrian walkway to the south side of the bridge. The roadway within the project area will receive a complete overlay of asphalt, including the installation of sidewalk, curb, gutters, and pedestrian lighting along the south side of the roadway. In association with the roadway improvements, some existing utilities will be relocated within the right-of-way and a new stormwater pipe will be installed to capture additional stormwater runoff resulting from the increase in impervious surfaces.

Proponent: Scott Hanis, Capital Project/Program Manager, City of Black Diamond, Public Works Department

Location of Proposal: This proposal occurs along the Roberts Drive right of way. The extents of the project start approximately 100 feet west of Rock Creek Bridge (in front of parcel 1521069002) and extend east 1,800 linear feet along Roberts Drive, ending at Cemetery Road (in front of parcel 1521069093).

Lead Agency: City of Black Diamond, Community Development Department

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
