**NOTICE OF WITHDRAWAL OF SEPA MITIGATED DETERMINATION OF NONSIGNIFICANCE (MDNS)**

**NOTICE** is hereby given that the **MITIGATED DETERMINATION OF NON-SIGNIFICANCE (MDNS)** made by the City of Black Diamond for **The Villages Sanitary Sewer Force Main Extension and Metro Connection** project is hereby withdrawn.

**WITHDRAWAL OF MDNS:**

The City of Black Diamond issued a MDNS for this project action on September 20, 2016 with a comment period ending on October 4, 2016. The reason for this withdrawal is to consider revisions. A new determination with a public comment period may be issued at a future date.

**APPLICATION FILE NUMBER:** PLN16-0031

**PROJECT DESCRIPTION:** construct 1,593 linear feet of sewer pipe, 1,557 feet of 12" pipe to extend to a sewer force main and 36 feet of 8" pipe that will gravity flow the pumped effluent into the King County Metro sewer main located in the Lake Sawyer Road. A meter vault may also be installed over the force main (if needed) to allow a flow meter to be installed in the pipe to monitor flows through the force main. The proposed work would be performed within the Robert's Drive and Lake Sawyer Road S.E. right-of-way (ROW).

**PROPONENT:** Colin Lund, Director of Development, Oakepointe LLC, CCD Black Diamond Partners LLC

**LOCATION OF PROPOSAL:** The site is generally within the southwestern quarter of Section 15, Township 21N, Range 6 East, entirely within the city limits of Black Diamond, WA. Work would be done near Willow Avenue on the south side of Roberts Drive, across Roberts Drive, and continuing along the west side of Lake Sawyer Rd SE.
