Description of proposal – Non-project action to update the 2008 City of Black Diamond Water System Plan (WSP).

Location of proposal - Citywide

Name and phone of applicant/proponent: Seth Boettcher, City of Black Diamond Public Works Director.

The City of Black Diamond, Lead Agency, has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). The SEPA Official has reviewed the attached Environmental Checklist and supporting materials. This information is available at: http://www.ci.blackdiamond.wa.us/public_notices.html

This determination is based on the following findings and conclusions:

The Lead Agency finds the proposed action to complete the Washington State Department of Health (DOH) 10-year WSP update is consistent with state and local policies and regulations and it demonstrates the City's long-term planning for the provision of safe and adequate supplies of potable water for the Community. Lead Agency concludes that this action is necessary to plan for population growth in a smart and sustainable manner.

This DNS is issued under WAC 197-11-340(2). There is no comment period associated with this DNS.
